THE WINE

Cru Vin Dogs Wine Group tracks down small lots of wines of exceptional quality and value from outstanding vineyards throughout the world.

For the second time, our Savvy was made under the direction of Matt Thomson, commonly regarded as New Zealand's leading winemaker of Marlborough Sauvignon Blanc. Sourced from several different vineyards, we were able to take advantage of the different characteristics of each vineyard site. This wine is exceptionally clean and crisp with intense aromas of passion fruit and grapefruit. The balance is amazing with a long, elegant, mineral finish. A refreshing wine to have by the pool on a hot summer day or try it with a breakfast burrito!

THE CAUSE

We support noble causes in which canines are integral: we donate ten percent of our proceeds to Morris Animal Foundation's Cure Canine Cancer Campaign (MorrisAnimalFoundation.org) and Canine Companions for Independence (CCI.ORG), a nonprofit organization that provides assistance dogs and support to children and adults with disabilities. For this release, additional funds will also be donated to a Greyhound rescue organization.

THE ART

Each wine we release has its own unique label that will never be used again on future vintages, thus making it highly collectable. The "Puppy Series" wine labels feature an original portrait illustrated by Jay P. Snellgrove. Our second edition Savvy label is of a Greyhound puppy. Limited hand-signed and numbered Giclee print reproductions of our Puppy and Portrait Series illustrations are available for sale to art collectors and dog lovers alike. Visit us on our website www.cruvindogs.com or call us at 1-866-CRU-VIN1.
